CARONA REUTER

INDUSTRIAL LIMITED

ABOUT US

Carona Reuter Industrial have been supplying industrial fixings, fasteners and associated products since 1964. Trusted and valued within many industry sectors, including: Aerospace, Steel Fabrication, Construction, Sheet Metal, and Engineering.

Our aim is to offer a value led solution to your fastener needs and to deliver a dependable customer led service.

We also offer bespoke supply solutions that are tailored to increase your productivity allowing you to focus on the higher value elements of your purchasing activity, contact us for a no obligation appraisal as to what we can offer.

OUR HISTORY

- 1964:

The Carona Engineering Supply Company is founded in Chingford E4.

- 1974:

Moved to larger premises in Stratford E15.

- 1985:

Aquired our premises in Dagenham, Essex.

- 1995:

Merged with Reuter Industrial to form Carona Reuter Industrial.

- Today:

Still supplying some of our original customers and providing new customers with the benefit of over 50 years experience in fasteners and industrial supplies.
